AVERAGE CUBAN VERY LOW -- "The Cubans are no more capable of self government than the savages of Africa The average Cuban is of a very low order of mankind. He is a mixture of Spanish, Indian, Lalian and negro, and he inherits the bad qualities of all." This is what Mejor General S. B. M. Young, who commanded the Second Brigade under Msjor General Wheeler at Santiago, says. "The United State cannot afford to the island of Cubs over to the Cubans. They would loot everything in sight and then start in and rob one another. Most of the leaders of the so-called Cuban army are a lot of adventurers. We should nevel turn that beautiful and rich island over t a lot of degenerates who are incapable of self-government."

INVITED TO HOISON'S HOSTE. - In respense an invitation extended in the mome of the people of Greensboro', Ala , to visit Lieutenant Hobson's home, Admiral Cervera writes under date of August 2 as follows:

under date of August 2 as follows:

"I thank you very much and also the citizens of Greensboro for the kind expression-contained in your letter, and you will allow me to say that it is I who should tender thanks (which I do with the granest pleasure) for the kind and generous treatment which I am receiving at the hands of the American people. It would be very gradifying to me to seept your invitation to visit Greensboro, where was born the brave Lieut Richmond Pearson Hobson, but it will be impossible for me to do so, for as soon as the war is ended it will be obligatory upon me to return immediately to Spain to account for my conduct, which must be judged as provided for by the law. Nevertheless, I shall not fail to carry through all my life the temember. for by the law. Revertheres: I start but no carry through all my life the remembran e of such brave officers as Lieutenant Holson, and also the flattering invitation tendered me by the city of his birth."
